Q 6

Sam's Neighborhood

Many people live and work in the city. The streets are always busy. There are shops, restaurants, big hospitals, and post offices. Everything is close in my city. My mom walks with me to school. We walk two blocks, and then turn right. I go to the park with my family. My dad and I fly kites in the park.

Sometimes, my friend Sarah walks with me. All our neighbors wave and greet us. On Saturdays, my family goes to the mall. Then, we eat at our favorite restaurant. Sometimes we walk to the history museum. I like the dinosaurs the best. I love living in the city. There's always something to do. The city is a great place to live.
