Pre-Reading

What animals do you think live in caves?

A Bear and His Bananas

Once upon a time, there was a bear that lived in a **cave**. He liked eating bananas.

The monkey liked bananas as well. He wanted the bear's bananas for himself. So he planned to steal the bananas as the bear slept.

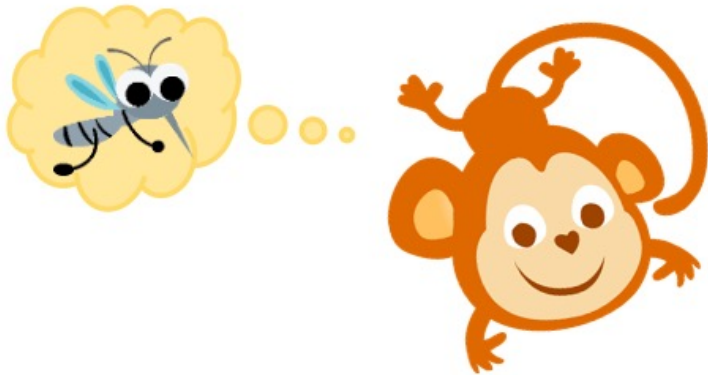

But he couldn't touch the bananas because the bear hid the bananas under his body when he was sleeping.

He thought for a bit. Then he had an idea. "Maybe Ms. Mosquito can help me." He smiled.
