A **cliff** is a steep part of a hill or mountain with an upright drop-off.

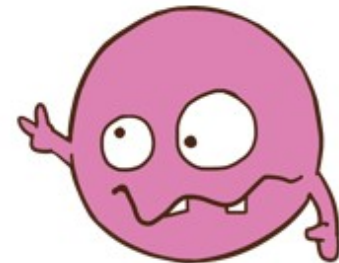

These are cliffs.

Which is taller?
Which is shorter?

These are valleys.

Which is wider?
Which is narrower?

Pre-Reading

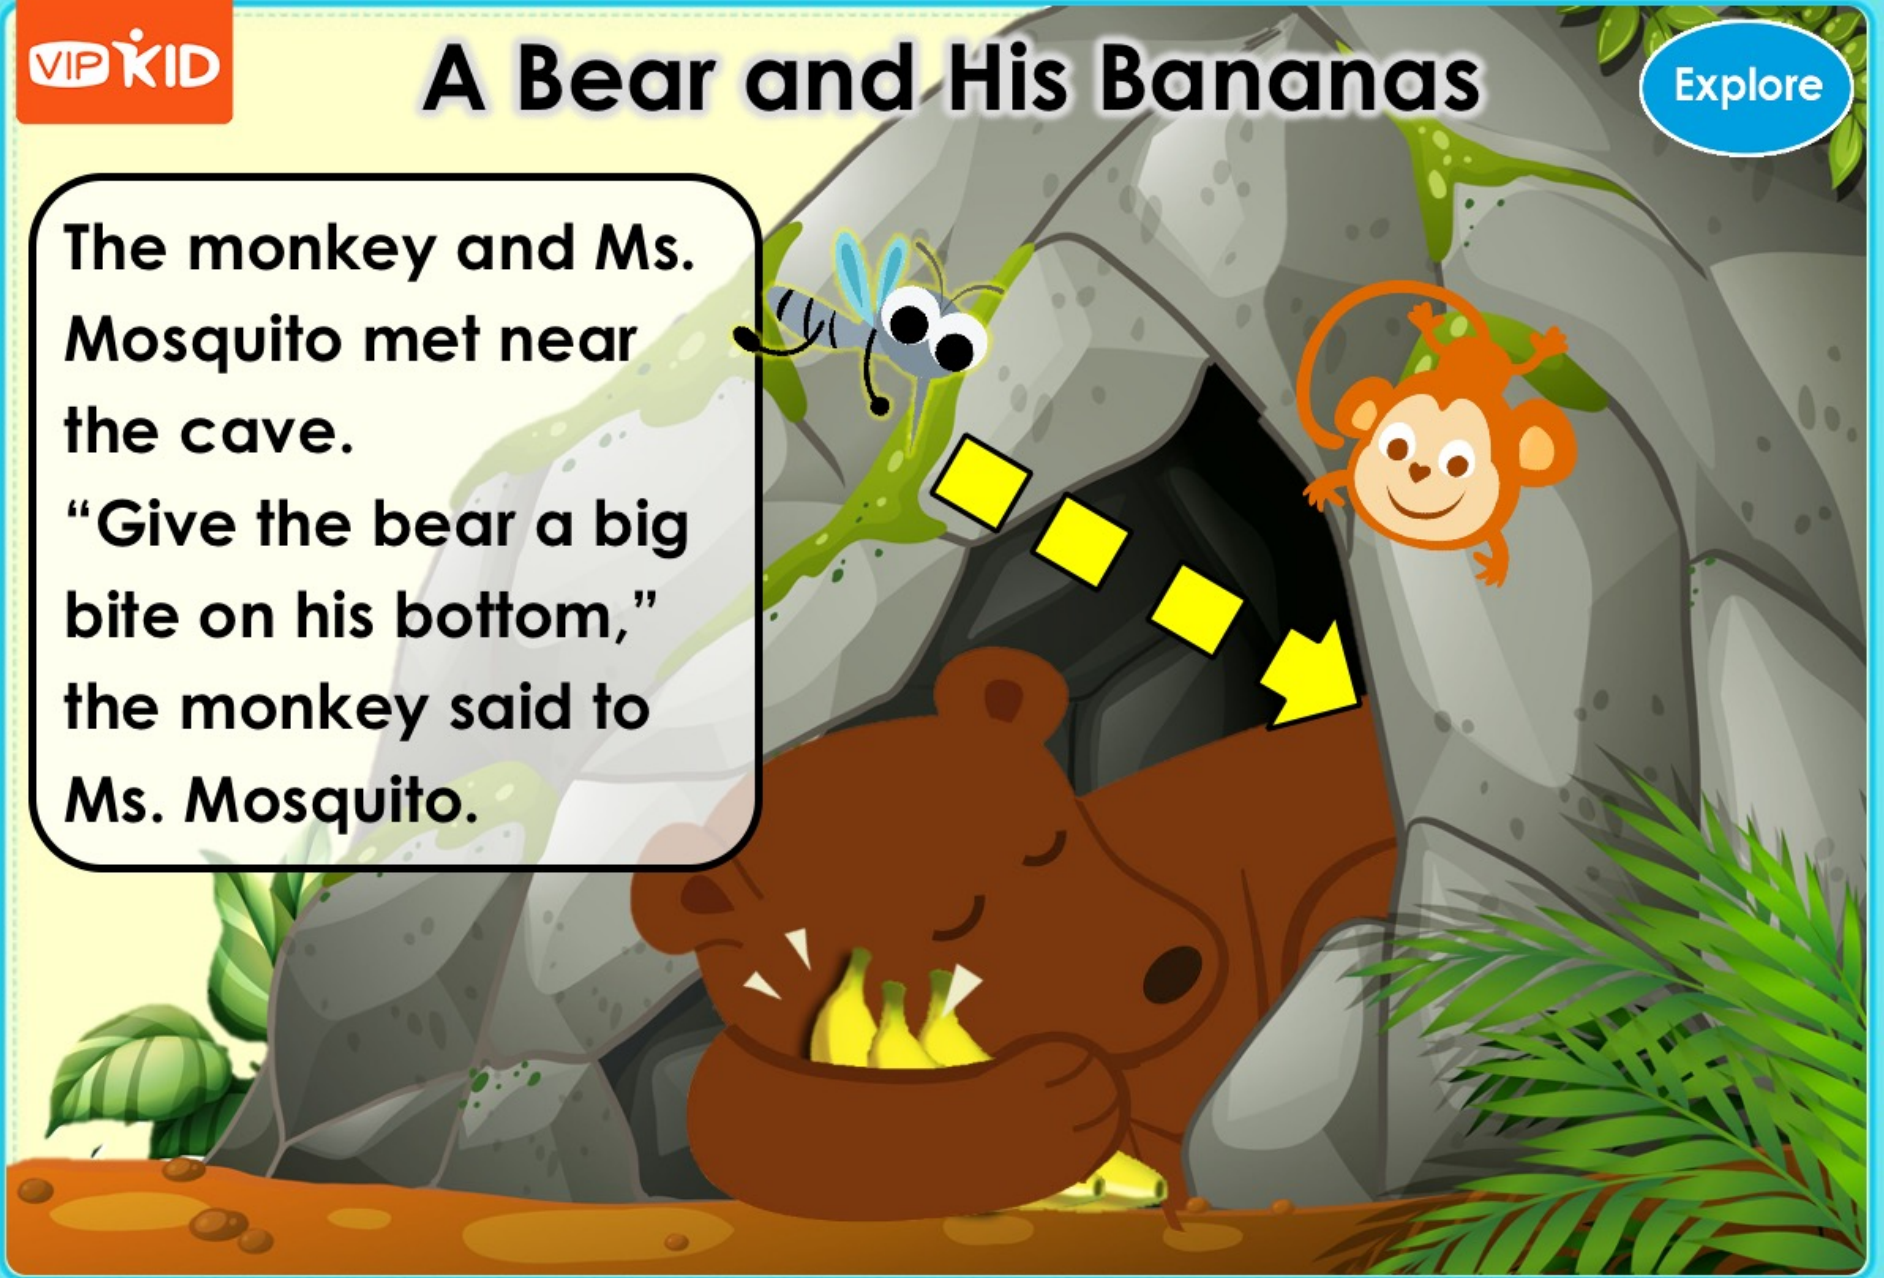

How do you think Ms. Mosquito will help?

A Bear and His Bananas

The monkey and Ms. Mosquito met near the cave.

“Give the bear a big bite on his bottom,” the monkey said to Ms. Mosquito.

A Bear and His Bananas

“Yes, sir!” said Ms. Mosquito. She landed on the bear’s bottom and bit him, but the bear did not move. Ms. Mosquito bit the bear again and again. Finally, the bear rolled over. And the monkey got the bananas.

Reader Detective

1 What animals were in the story?

2 Where did the monkey and Ms. Mosquito meet?

Retell
