

Level 4 Unit 2

Assessment 2

**Let's begin your unit assessment.
Are you ready?**

Let's look at your project!

Writing Project

You've been preparing for your final project.
Now it's time to present on the next slide. Good luck!

Lesson 8 — Project Introduction

Lesson 9 — Discuss Draft

#

Lesson 10 — Revise & Edit

Lesson 11 — Finish & Upload

Lesson 12 — Project Presentation

Have you uploaded your writing?

Yes

Click the "Writing Pop-up" button to check the writing.

No

Drag in the "Sample Writing" tab on the right.

Informative Writing

1. Choose a wild animal that you think is interesting. Find information about it, and then write a report.
2. Write 30 to 40 words.

Project Review

Let's look at what you did well!

- How your report was organized.
- How you used colored words to stress important information.
- How you changed irrelevant sentences in your report.
- Your spelling, grammar, and punctuation.
