# Pre-Reading

What do you know about the Great Wall of China?

# Xiao Li

Xiao Li was sad. Her husband Liu Chao was a builder.

The emperor said the state needed him to go help build the Great Wall.

The Great Wall was far away. Xiao Li and her husband's home was near the Yellow River. The Great Wall was in the north.

She worried about him.

“Is he getting enough to eat? Is he working too hard?” They had a daughter, Dou Dou. Dou Dou asked her mom every day, “Mom, when will Daddy come home?”

# Xiao Li

Liu Chao was in the north. He missed Xiao Li and Dou Dou, too. He was helping build the Great Wall. It would help protect the state from its **enemies**.

He was proud he could help his country.

After a very long time, Liu Chao went back home. He saw Xiao Li and Dou Dou. Xiao Li was old and Dou Dou had become a woman. Liu Chao cried. He felt both happy and sad.
