# Preface

**Hidden Pictures**, a series of four books, is produced in the belief that not all learning is text-based. Learning occurs with every human activity. It is especially effective when the activity is purposeful and focused while at the same time exciting and pleasurable.

Solving hidden pictures puzzles is just this kind of activity. Besides being enjoyable, it develops figure-ground perception and improves the ability to establish object constancy and size relationships. Educators have shown that working on such puzzles can also enhance a child's attention to detail, reinforce good work habits, increase both word and general knowledge and aid in developing self-confidence.

With guidance, this potential can be realized. At the start of the activity, the child could be told to look at the big picture and describe the scene as a whole—that is, say what the picture shows or is about. Then he/she could be encouraged to talk about the details. Finally, the child's attention could be drawn to the things illustrated in the margins and he/she asked to identify them in the big picture.

With time and practice, the child could become quite expert at solving the puzzles and would have kept him/herself entertained while he/she was at it!

# Crossing a river

Can you find these things in the big picture?

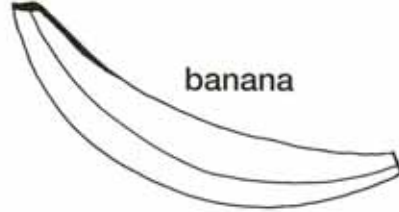

tweezers

bird

glove

banana

feather

comb

paper clip

toothbrush

needle

fish

spoon

teacup

# Just hanging around

Look for these things in the big picture.

sailing boat

megaphone

toothbrush

banana

ice-cream cone

canoe

shoe

angelfish

paper clip

glove

slice of pie

heart

feather

flag

# Staying close to Mum

Look for these things in the big picture.

needle

toothbrush

comb

bell

heart

open book

banana

fish

candle

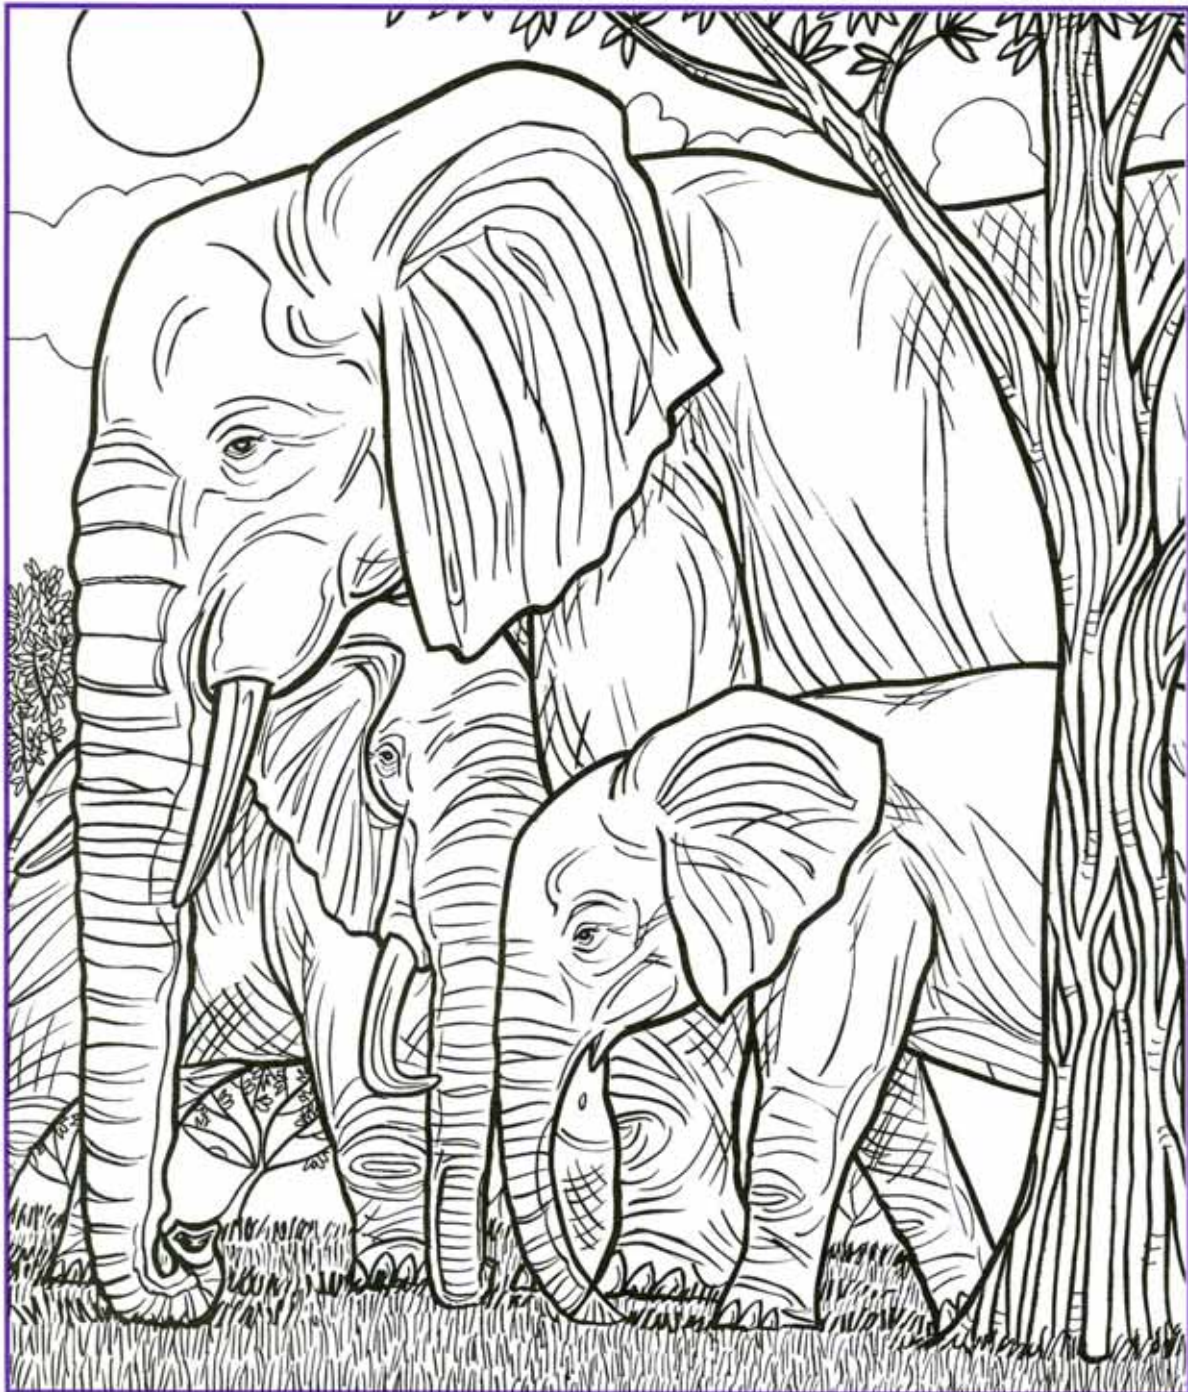

paper clip

sailing boat

ice-cream cone

# Taking a nap

Can you find these things in the big picture?

artist's brush

slice of pie

mushroom

banana

Illustrated by Timothy Davis

spoon

paper clip

comb

shoe

fish

glove

heart

bird

# Wild by nature

Can you find these things in the big picture?

glove

paper clip

toothbrush

shoe

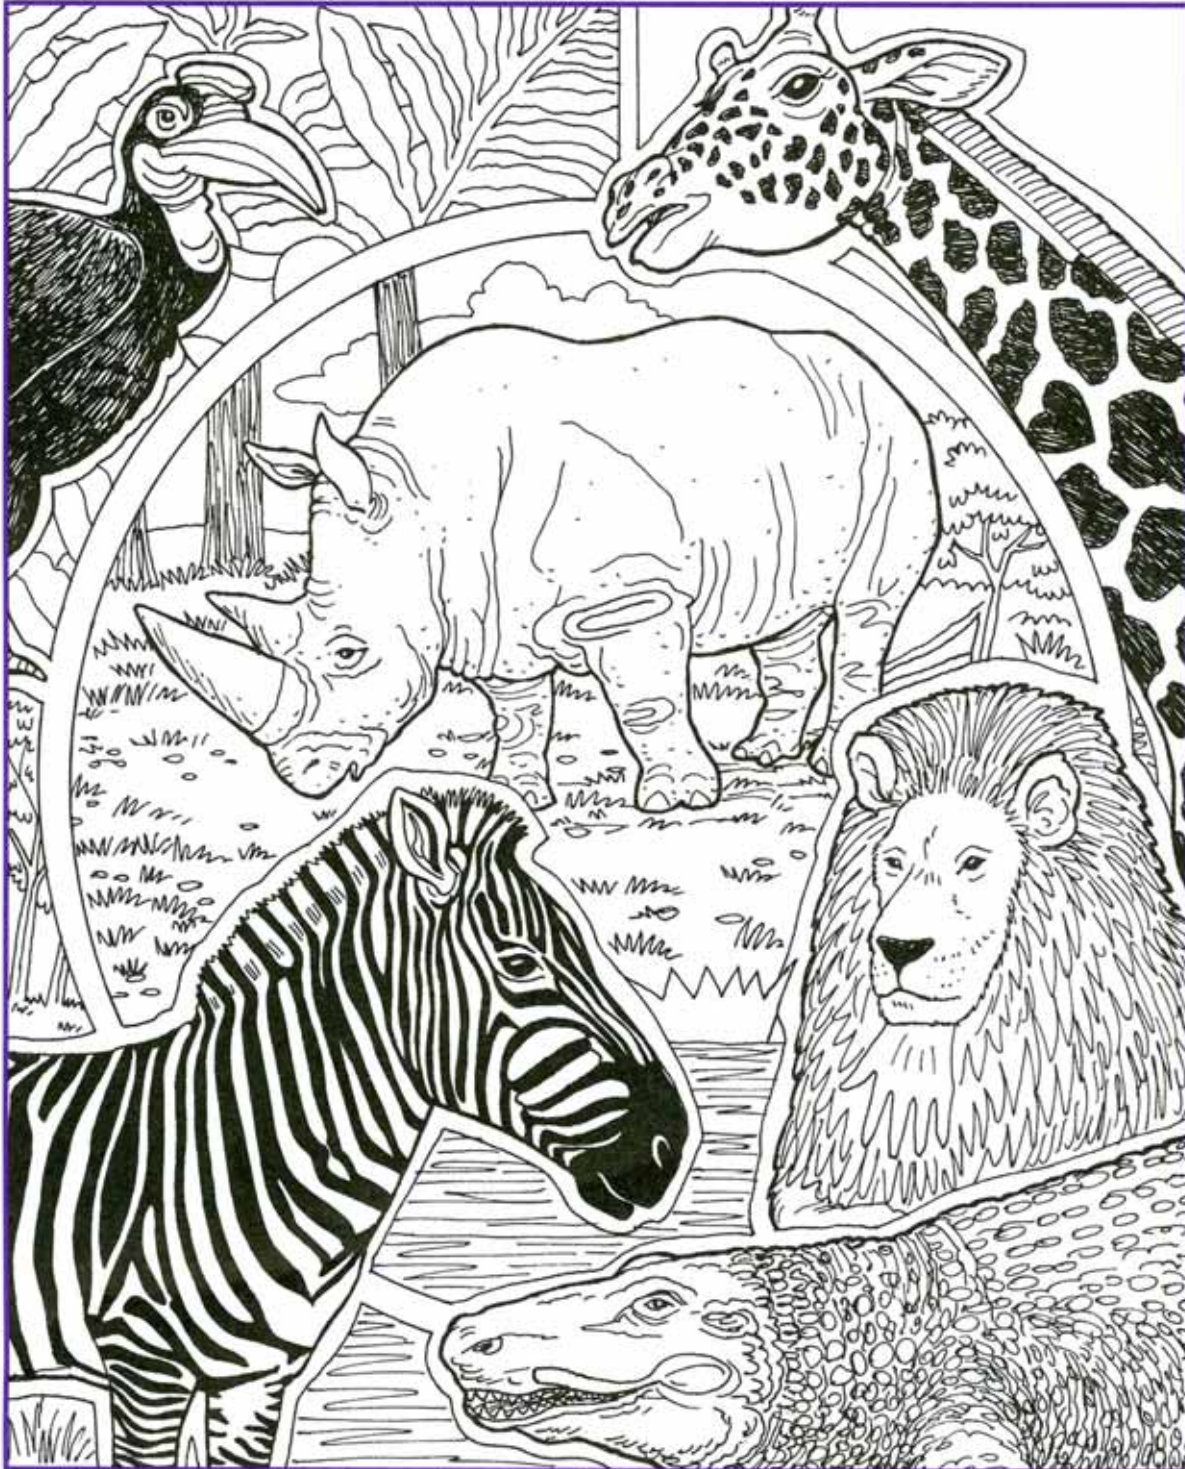

slice of pie

crown

ice-cream cone

candle

hamburger

banana

heart

spoon

tweezers

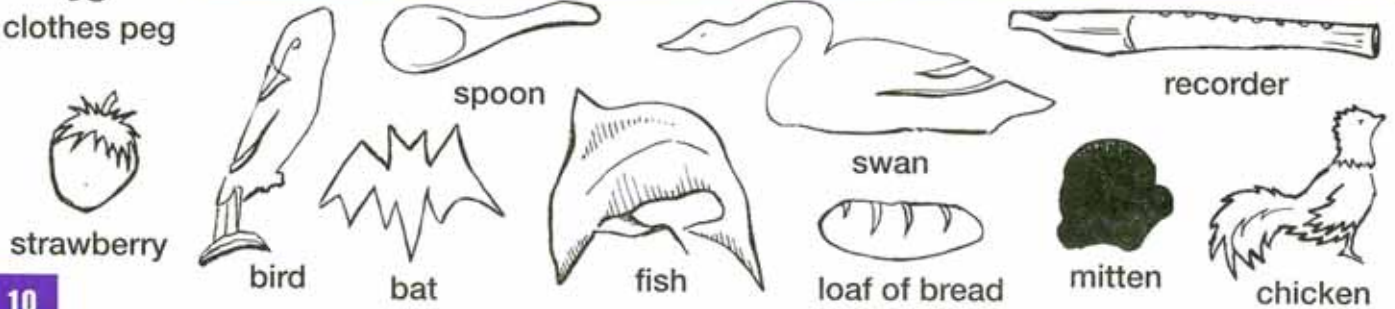

# Playing in the wild

Look for these things in the big picture.

Illustrated by Rob Szezanak

# At home in a city park

Look for these things in the big picture.

fork

boot

fish

chicken

toothbrush

dog bone

clothes peg

bell

cane

needle

pencil

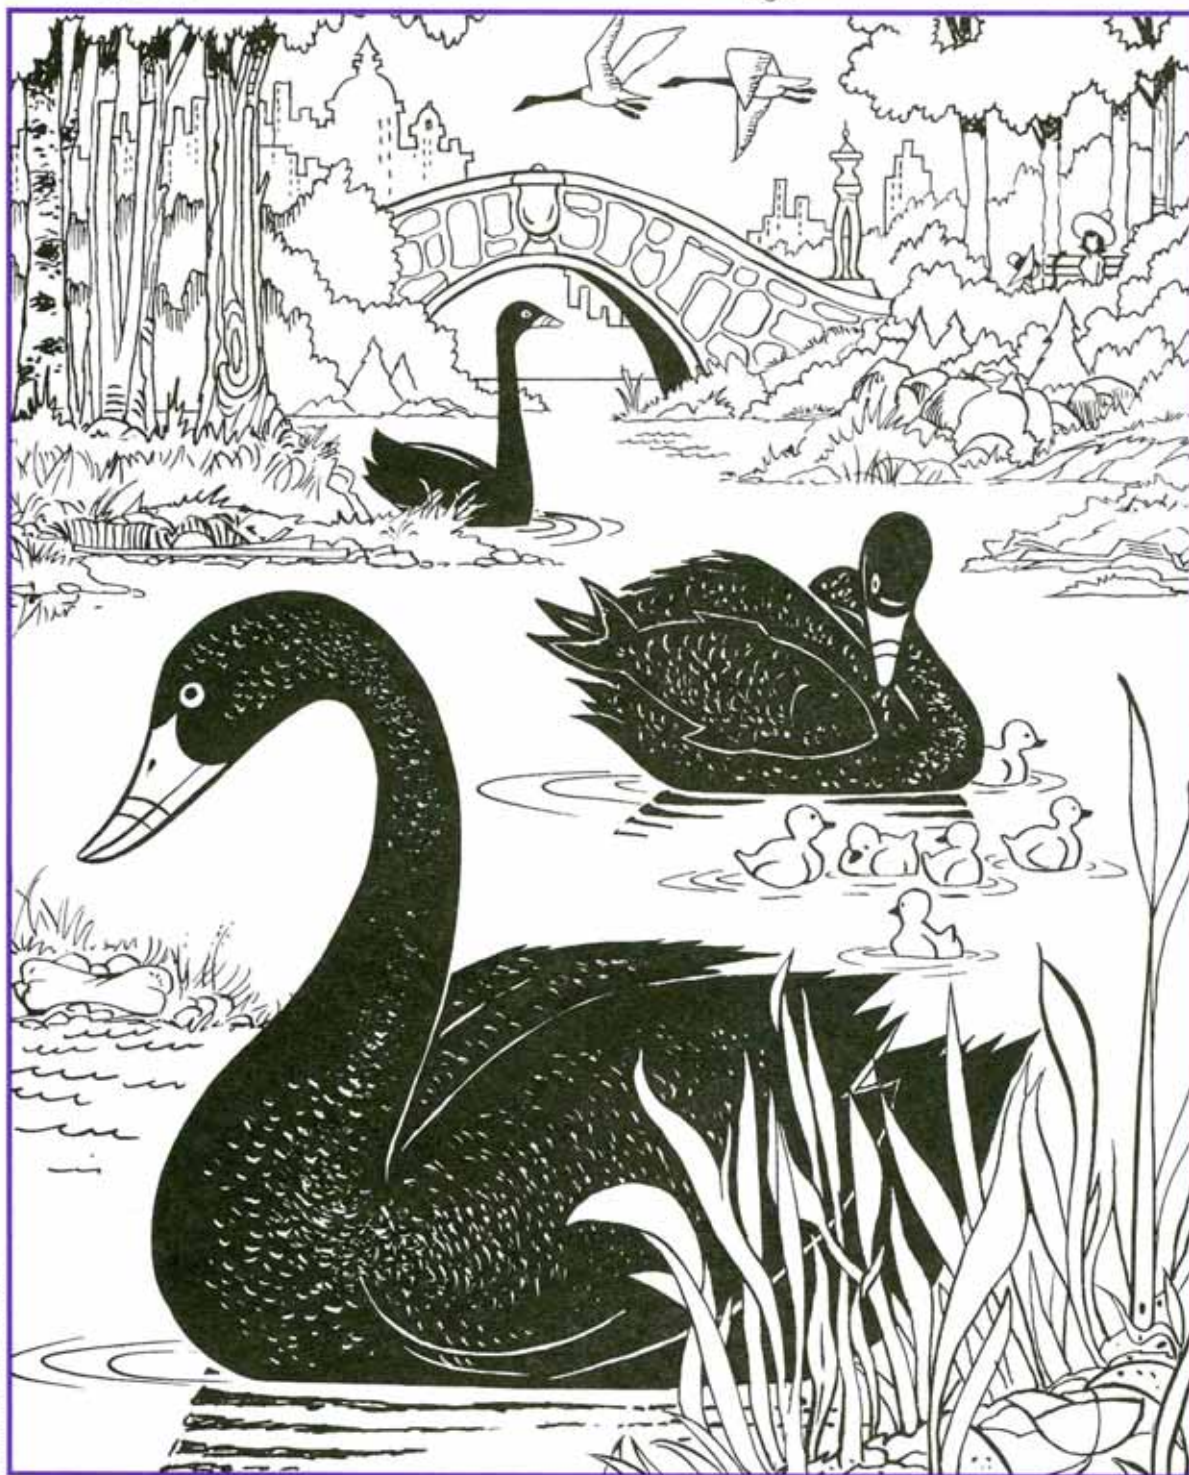

baseball cap

tweezers

candle

# Gathering on a tree

Can you find these things in the big picture?

umbrella

needle

pencil

candy cane

gingerbread man

ice-cream cone

sailing boat

carrot

tortoise

mouse

snake

handbag

chilli

Illustrated by Susan T. Hall

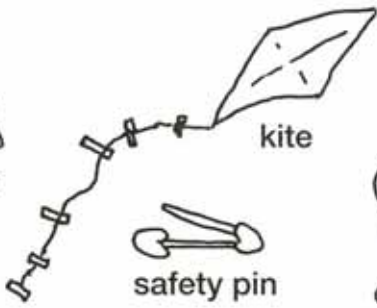

# Feeding in a field

Can you find these things in the big picture?

slice of pie

kite

pushpin

ice-cream cone

slice of cake

safety pin

cupcake

bell

golf club

umbrella

candle

magic wand

# Watching over her young

Look for these things in the big picture.

candle

eagle's head

fish

mouse

sparrow

Illustrated by Kiti Wray

bear cub's head

hamster

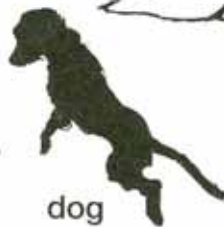

seal

lizard

artist's brush

dog

kangaroo

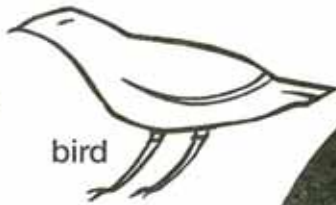

heron

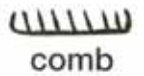

# Returning with food

Look for these things in the big picture.

needle

# The first to hatch

Can you find these things in the big picture?

glove

heart

bell

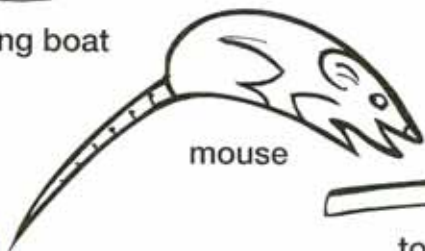

tweezers

coat-hanger

sailing boat

mouse

bat

toothbrush

hat

fish

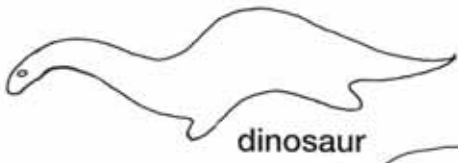

goose

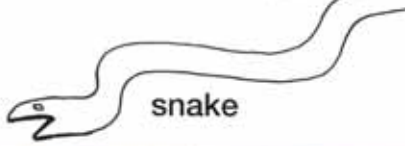

# Following Mum downriver

Can you find these things in the big picture?

dinosaur

snake

banana

crescent moon

glove

hairbrush

ghost

ice-cream cone

heart

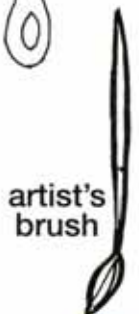

crown

paper clip

spoon

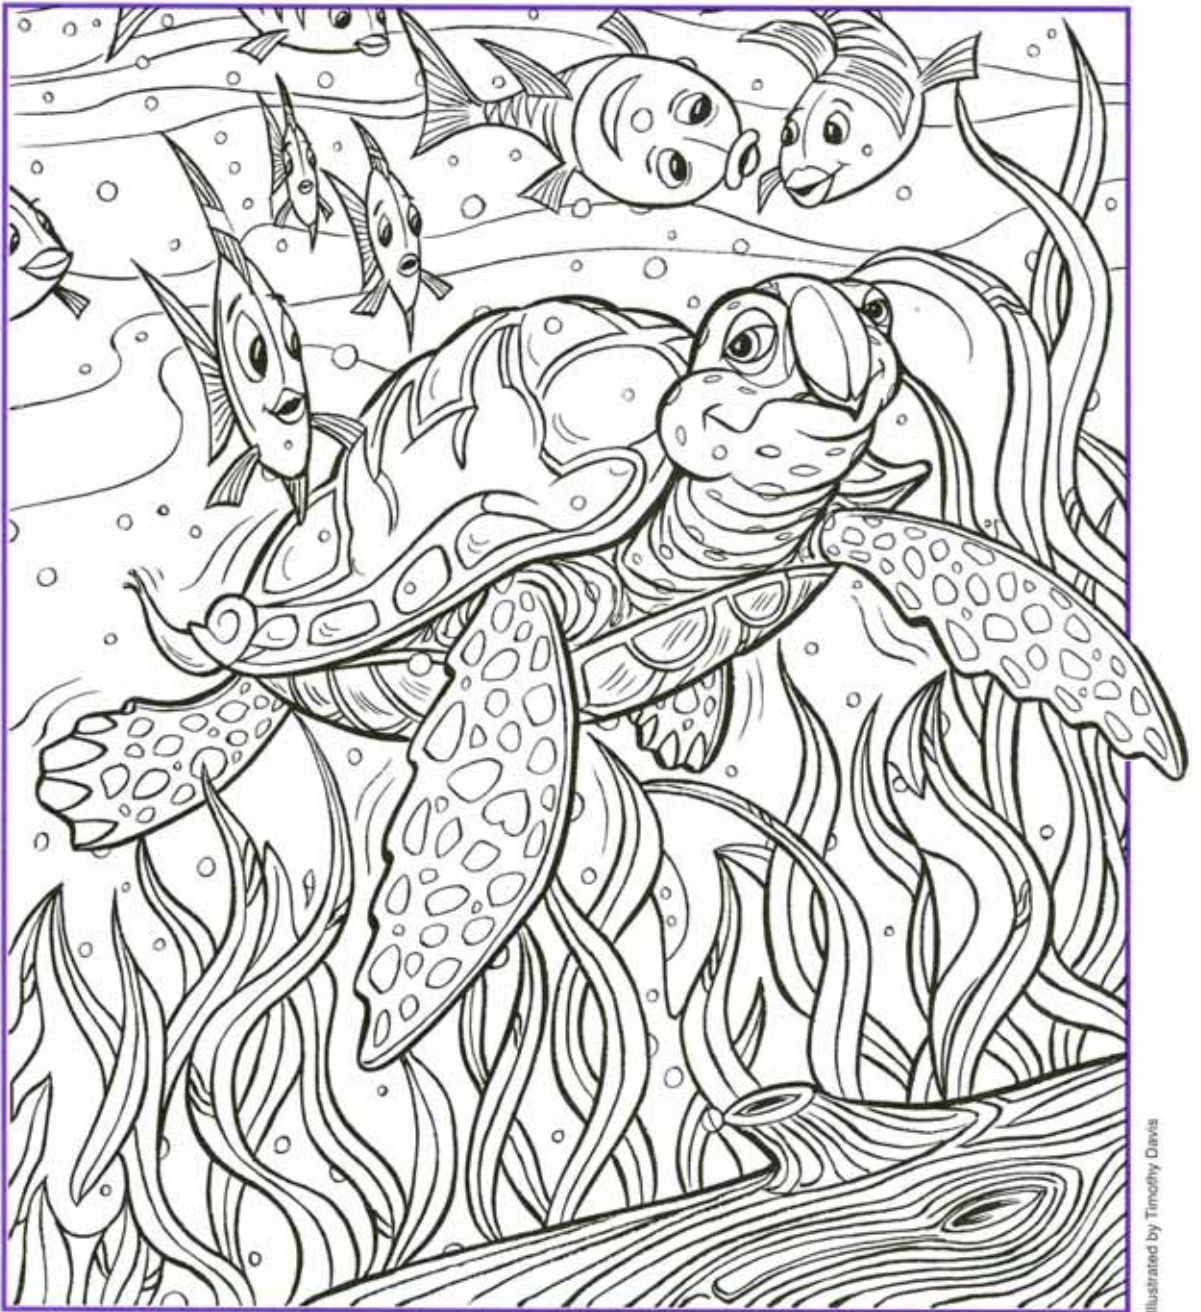

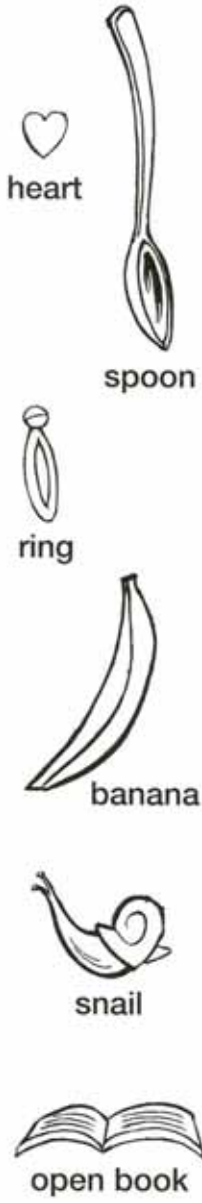

artist's brush

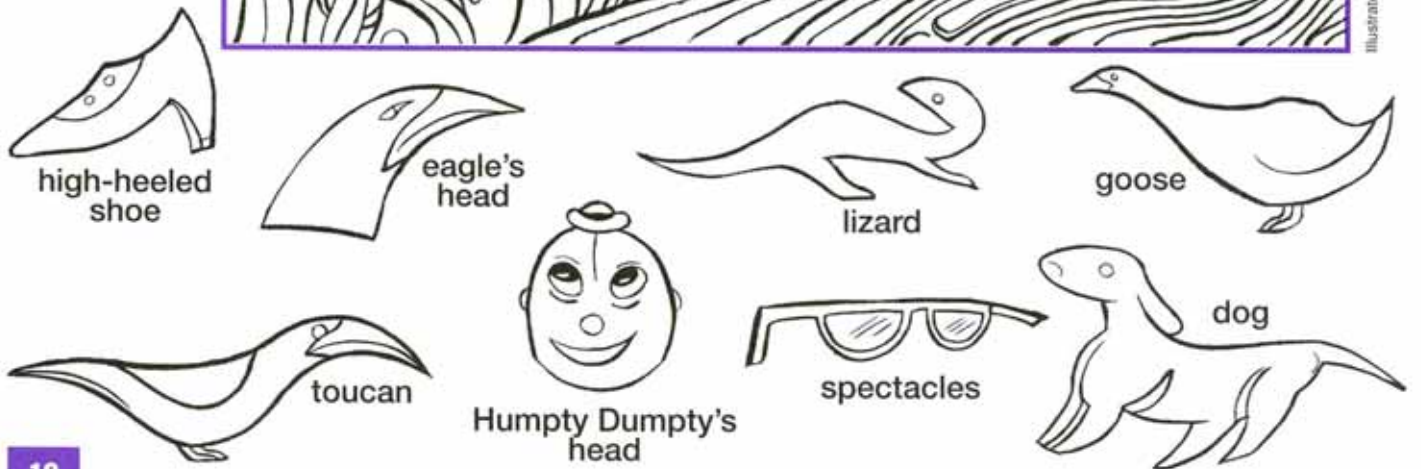

# At home in the sea

Look for these things in the big picture.

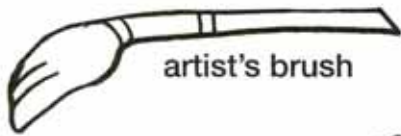

illustrated by Timothy Davis

# At home in the rainforest

Look for these things in the big picture.

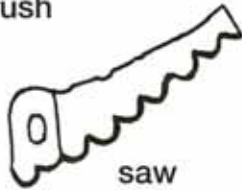

artist's brush

tortoise

cap

saw

spectacles

# Hidden Pictures

This series of four books promises hours of fun and loads of benefits for all the family!

Each seek-and-find activity can be done individually as a pastime, or played as a game with a partner or a 'rival' group.

But more than that, solving the puzzles develops figure-ground perception and improves the ability to establish object constancy and size relationships.

In fact, educators have shown that working on such puzzles can

- enhance a child's attention to detail,
- reinforce good work habits,
- increase both word and general knowledge and
- aid in developing self-confidence.
